ADMINISTRATIVE INSTRUCTIONS

Payment Due Date

Payment is due on the 1st of the month. If your payment is not received by the end of the month, your insurance coverage will be terminated. Coverage will only be provided for months for which your premium has been paid or as mandated by state guidelines.

Paying by Paper Check

You may only pay by paper check if you have received a paper bill. If you pay by check, you **must** include the payment coupon that appears at the top of your invoice and write your billing case number in the memo line (this number appears on your invoice and is not your Coventry One Member ID). If you do not include the payment coupon, your payment may not be properly credited to your account. You may avoid the paper bill fee by changing the payment method to recurring Electronic Funds Transfer (EFT).

You will also receive an email notification each month when your invoice has been posted to your account.
- **Paper Bill:** You receive your invoice by mail and a monthly paper bill fee will be applied to your account. You may pay by mailing us a check along with the payment coupon from the invoice you received. You will also receive an email notification each month when your invoice has been posted to your account and can pay online at <https://member.cvty.com>.

Online Bank Payments
